

Current trends on spectral data for Higgs bundles III

November 13-14, 2017.

University of Illinois at Chicago

Speakers

Lara Anderson, Virginia Tech, USA.

Olivia Dumitrescu, Central Michigan U., USA.

Camilla Felisetti, Bologna, Italy.

Laura Fredrickson, Stanford, USA.

Qionglin Li, QGM & Caltech, Denmark & USA.

Ngo Bao Chau, University of Chicago, USA.

Eric Zaslow, Northwestern University, USA.

Support

The workshop is supported by:

- University of Illinois at Chicago;
- GEAR NSF grant DMS-1107452, 1107263, 1107367 "RNMS: Geometric Structures and Representation Varieties";
- NSF RTG grant DMS-1246844;

and is presented in cooperation with the Association for Women in Mathematics.

Organizer: Laura P. Schaposnik, UIC.
